

GENERAL PRICELIST

Family Owned and Operated for More Than 25 Years.

Unlike many local cremation societies that have been taken over by national conglomerates, the Cremation Society of Michigan proudly remains an independent, family owned and operated business. With strong roots in Southeastern Michigan, we are firmly devoted to supporting our communities and serving local families with compassionate care.

Unique Cremation Services to Reflect Unique Lives

At the Cremation Society of Michigan, we believe that each cremation and memorial gathering should be customized to represent the life of each unique person. Our expert staff will help you create a loving, dignified gathering that truly reflects the life of your passed loved one. We know each family has their own set of desires and challenges - which is why we will work with you to tailor a memorable gathering that meets all of your wants and needs.

Endless Options

When it comes to planning a gathering, families need choices. That's why the Cremation Society of Michigan offers more options than any other cremation society in the area. We can customize each gathering service with video tributes, keepsakes, dove or balloon releases, special music, catering, memory tables, collages and much more. You won't find this wide array of options anywhere else.

Top Value at a Reasonable Price

At Cremation Society, we have proven that it is possible to provide affordable cremation services without sacrificing quality. Although our services are reasonably priced, we go above and beyond to provide top-quality

care to each family we serve. With beautifully maintained facilities and a compassionate, professionally-trained staff, we guarantee the satisfaction of each family we serve.

Offering Care Before, During and After the Service

At the Cremation Society of Michigan, we do much more than offer immediate cremation planning services. We are here to help families both before a cremation is needed and after the cremation is over.

We give families peace of mind with our preplanning services. With preplanning, you can guarantee the cost of a future cremation at today's prices by prepaying for the services. You can choose to prepay all at once or in a series of payments over a period of time.

And our job is not done after the cremation. We follow up with each family after the cremation and can refer family members to a number of local grief resources if necessary.

Our Promise to You

At the Cremation Society of Michigan, we promise that our staff will always be polite, professional and compassionate. Our facilities will be warm, welcoming, clean and comfortable. We promise to offer each family affordable, first-rate, dignified services.

We are confident that we will meet or exceed your expectations. However, if your family is not completely satisfied with any service we provide for any reason, we encourage you to tell us. We will either correct the problem or not charge you for that portion of the service.

OUR MISSION

*To meet the needs and exceed the expectations of our client families,
providing a cremation experience that is simple, dignified
and affordable for each family served*
